Dear Sirs,

We recently received your postcards, dated 02/02/2004, asking if we wanted to request extension of exemption # 7288A, from 14 CFR (FAR Section 135.143(C)(2) and # 7842, from CFR (FAR Section 135.143 (C)(2).

As nothing has changed from the time of the initial request for these exemptions and their approval, we do request an extension of these two exemptions.

If you have any other questions, or need something else from us, please let us know. Also, please confirm that you have received this request and that the extension was granted. Please feel free to confirm via return mail, phone, fax, or email to haac@alaska.net

Thanks, in advance, for your help,

Gregory A. Bell
